

INK COMPATIBILITY

3282 PosterBright™ Matte Poster Paper is a bright white 10 mil photo paper designed to meet your high quality matte photo paper needs. The coating makes this paper cockle free, even under the most demanding of ink loads. Its fast dry matte coating provides rich, vibrant images while still maintaining shadow detail.

PosterBright™ Matte Poster Paper is a great economic alternative to other 10 mil photo papers and can be used for a variety of applications including posters, advertising, or indoor signage.
