

INK COMPATIBILITY

3710 EV100IMP is a 2-side coated, 4.5 mil matte paper for imposition proofing applications. EV100IMP is a premium paper that is balanced and lays flat for optimum performance in 2-side printing devices for graphic art and prepress applications. EV100IMP offers high opacity, a bright white appearance, and an optimal color gamut. Full-color images print crisp and clean, even with ink saturation levels up to 200%.
